When I think of the word “service”, one particular family comes to mind. They exemplify what Jesus modeled to his disciples and the world of what servant hood in the Kingdom looks like - to “lay down one's life for another.”

Kit and Sue, along with their two children, Constance and Christian, are members of The Vine Church. As a family they accepted the opportunity to become a Project Bridge Family through Mother's Choice - a local charity serving the many children without families and pregnant teenagers in Hong Kong.

By opening their home to a baby and a young girl, the So Family is making a difference in a child's life by providing a safe and loving environment for them to belong, to bond and to be loved during some very crucial period of their lives.

"Every child deserves a family, to love them and nurture them. Hong Kong is a rich city and there should be enough families who can provide a place to support young moms and children." says Sue

"My hope is that the communities see the need of anyone who needs support and jump in and help bridge whatever gap they see in their own community" says Kit.

Having the children really involved in the process of learning to care has helped build their confidence as a family.

In 2019, perhaps there's an opportunity waiting for you to serve together as a family. It may look like joining a mission trip together, inviting a neighbor to your home for dinner or simply listening to the story of a refugee family. I pray that as you open your hearts to this invitation, you will begin to experience the heart of God for you and the city and the redemptive and restorative power of love.

Jesus demonstrated what serving really means by washing His disciples’ feet and even laying down His life for the sins of the world.

This month, the older children will learn what it means to reflect the servant heart of God when they lend a hand and serve others.

Memory Verse:
“How wide and long and high and deep is the love of Christ.”
Ephesians 3:18, NIV

Jesus Love Me!
There is nothing wider or longer or higher or deeper than the love Jesus has for you and the preschoolers in your life. This month, our goal is for preschoolers to know Jesus loves them, and that nothing will ever change that.

At K4C, teachers are committed to providing our children with super fun, hands-on-activities and are ready to tell amazing Bible stories in ways that will engage young minds.

Praying every day is a great habit to develop and it helps us grow in our faith. But it can also feel overwhelming. How about just starting off with 31 days? We’ve made it easy for you by creating short prompts to guide your time. You can use these prayer prompts by yourself or use them to guide your family in praying out loud together.
