In Romans 8:38-39, we are given a promise, a prayer, an encouragement, 
"For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.

We all face moments in our lives where we wonder if God will come through for us. As adults and parents we may be facing a loss, a financial struggle, or an illness. For our children they are also facing their own struggle perhaps with tension in friendships, academic pressures at school, transition to a new country. These are all very real experiences we face. Jesus, one who lived out both his humanity and divine nature on earth understands.

This April, our 6 - 12 years old will learn a profound truth: No matter what we face in life, we can hope because Jesus is stronger than sin and death. His resurrection is proof that God loves us and wants a forever relationship with us. This Easter, let us celebrate Jesus and discover the hope and endless love we can have only because of the resurrection.

Friendships are a big part of preschoolers’ lives. Through these first relationships, they are learning how to be a friend, have fun with friends, get along with friends, problem solve with friends, resolve conflict with friends, and above all, love friends. This month, we hope preschoolers will learn that Jesus is their friend – the best friend they will ever have.

Bottom Line:
Jesus is my friend.

Memory Verse:
“A friend loves at all times.”
Proverbs 17:17, NIV

As children grow older they’re starting to ask questions about their faith. They’re wondering about God and His love for them. They may be asking a lot of questions about Jesus – questions that you may struggle with yourself, or questions that may not have a simple answer. But that’s OK.

This month, pick up a copy of “Start Here” to begin this journey with your child.
