Share your story and the good news about Jesus with confidence.

● SPIRITUAL FORMATION TOOLKIT ●

Welcome to this Toolkit

The word ‘evangelism’ means “to share the good news”. It is not always easy, and it can seem difficult and awkward to talk about Jesus and to share the gospel if you are unfamiliar with how to do this.

It is important to remember that our goal is simply to proclaim, not to convert. This will get easier the more we do it. The action steps and tools below will give you some techniques as to how you can share your faith, and will hopefully help you grow in confidence in this area.
